ASSESSMENT QUESTIONNAIRE

For children and adolescents with attention difficulty, agitation and behavioral problems

Instructions:

Check or make an "x" in the box you find that the conduct or attitude described applies or not to the child for whom you are completing the questionnaire

- check "does not apply" if you find what is described almost never occurs for your child or student
- check "little" if what is described occurs sometimes, but not often
- check "moderately" if what is described occurs in moderate quantity or frequency
- check "significantly" if what is described occurs very frequently

Child's name: _____

Date of birth: _____ **Academic level:** _____

School: _____

Completed by: _____

parent(s)
teacher

Date: _____

Created and designed by Pierre Poulin, pediatrician, CSSS Beauce, 2007

May be reproduced without modification for non-commercial purposes

ADHD Questionnaire, page 1

Check "does not apply" if you find that the child does not have the characteristics of the statement described, or any of the other columns if you find that the statement is little, moderately or significantly applicable to the child or adolescent		Does not apply	Little	Moderately	Significantly
